

## August 2020 New Features Bulletin

Here is a summary of the new features and improvements released during **August 2020**.

**NOTE:** Links to all previous bulletins can be found here: <https://icrew.club/bulletins>.

**REMINDER:** All changes released throughout the month can be viewed by tapping the **iCrew Changes** button on the **Coach's/Admin's Home** page as shown here.

### Logic changes for applying Max per Member on reservations

New logic now being used for applying the **Maximum per member** limit for reservations as explained [here](#).

### Assign assets/equipment to a member

An equipment profile now includes **Assigned to** so that a piece of equipment can be assigned to a club member to track which member is in possession of a club asset.

### Support for damage reports on any type of asset/equipment

If your club is on the **Premium** subscription level, you can now log a damage report for any type of club asset.

### Club option to let any member add themselves as a rower on an existing reservation

A reservation option has been added that lets club members join in on a boat reservation when there is an open seat. More info [here](#).

### Club Admin bulk-cancel reservations

From the rowing history page, a club administrator can now cancel reservations in bulk.

### Grab-n-Go reservation

Implemented "Grab-n-Go" reservation logic. Read more [here](#).

### Members can view reservation calendar for their favorite shell

From the **Make Reservation** page, a member can tap the new **My favorite shell** button which will show the reservation calendar filtered to show only reservations for the boat they have rowed the most.
