

November 2020 New Features Bulletin

Here is a summary of the new features and improvements released during **November 2020**.

NOTE: Links to all previous bulletins can be found here: <https://icrew.club/bulletins>.

REMINDER: All changes released throughout the month can be viewed by tapping the **iCrew Changes** button on the **Coach's/Admin's Home** page as shown here.

Elections, Surveys & Forms

- iCrew now supports elections, surveys, and custom forms (forms require **Premium** iCrew subscription level). [Read more here](#) and [watch a short intro video here](#).

PaySimple Updates

- For clubs using PaySimple, a donation fee item can be created that can contain a list of designations for how the donation should be used.
- Your club's refund policy can now be shown on the **Store** page. [Contact iCrew](#) to share your refund policy.
- You can now specify multiple options in a single fee item. See [this help topic](#) for details.
- Added support for a PaySimple fee item where the payer can specify the amount.
- Added support for a PaySimple fee item to be shared with and paid by a guest/non-club member.
- Added support to issue a refund on a PaySimple fee item payment.

Support for markup

- Club news, about and member alert text can now be formatted with markup (**bold**, *italic*, [links](#) etc.)
- Team news and member alert text can now be formatted with markup.
- Session workout plan can now be formatted with markup.

Archived teams/squads

- An *archived* team/squad can now be deleted by a club's primary admin. The delete functionality is available from the **Team/Squad List** page but only if no sessions exist for the team/squad.

Sidebar update

- Descriptive text has been added under all sidebar icons and the sidebar color scheme was changed.

Session default attendance setting

- The session default attendance setting can now be changed through the bulk session update process.

Archived fees and documents

- Archived items will no longer be shown by default on the fees and document list pages. A checkbox has been added if you want to include archived items.

Club Store page access

- Added support for the club **Store** page to be accessed by a guest/non-club member. Club admins will see a link at the top of the **Store** page that can be posted on the club's main website.

Club Roster

- Assistant club administrators can now extract/download the club roster.
- If your club is using the punch card feature, an admin can now access a member's punch card from the club roster.

iCrew logon process

- A club member will now be forced to reset their iCrew password if they attempt to logon more than five times with an invalid password.

If you have any questions about these new features, send us an [email](#).

Thanks,

Kevin @ iCrew
